## Access to HE Diploma: Health Professions (Part-time) Year 1

### Level

3

### Location

South Wigston Campus

### Introduction

You will study this Part-time course for 1.5 days a week over 2 years. The course covers Biology, Psychology, English and Maths as well as Health Studies. It will provide you with the skills required to pursue a place at university in related healthcare and nursing programmes.

Successful students have gone on to gain places in all branches of nursing and social work, along with teaching and business degrees. Examples of training opportunities are: nursing, children's healthcare, adult healthcare, mental health, special needs, midwifery, audiology and social work.

### Study Outline

Over the two years you will study the following:

Modules:

Human Biology modules:

- Cell biology & Biochemistry
- Genetics
- Infectious Diseases
- Reproduction
- Biological Communications
- Skeleton and muscle
- The Cardiac & Respiratory System
- Nutrition and digestion

Health studies modules:

- Ethics & Inequalities
- Foundations in Healthcare Practice

Psychology:

- Perspectives in Psychology

#### Important details

North Warwickshire & Hinckley College has taken care to ensure the information on the website is as accurate as possible at the time of publication. It is intended as a general guide to its courses and facilities and forms no part of a contract. The College accepts no liability and reserves the right to make changes to course information or withdraw without notice any of the programmes or facilities described. It is advisable to check your chosen course information prior to enrolment.

- Conformity & Obedience
- Psychopathology
- Understanding Stress

Additional Modules:

- Core Study Skills - which includes study skills, research methods, applying for HE and presentation skills
- GCSE Mathematics – improving your grade from a D to a C \*
- Maths in a Nursing Context

\* If you already have grade C, you can be exempted on production of your certificate.

### **Entry Requirements**

You'll need to show a commitment to the sector and have GCSE A\*-C in either English or maths with a minimum grade D in the other. Some university courses may ask for a GCSE in Science as well. You should always check the entry requirements for the courses and universities you are interested in progressing onto.

Your literacy and numeracy skills will be assessed upon application and the level, mode of study and pathway will be determined as a result.

On this Part-time programme you may be able to enrol on and study for a GCSE alongside your Access to HE course.

Some learners require some preparation before they undertake their access course. Level 3 study can be challenging, particularly when you have been out of education for some time. We do offer a Pre-Access course for applicants who do not meet our minimum requirements for the level 3 Access to HE course or who may have been out of education for some time and wish to work on their study skills at level 2 before progre

### **Equipment**

You will need; pens, paper, a folder and a memory stick.

You may want to purchase textbooks approx. cost £25. Contact the Customer Service Team for the latest list.

There is financial help available to students depending on your personal circumstances. For more information

## **Attendance**

We expect 100% attendance on your course but will accept 95%. Learners who attend well achieve better!

The Access to HE course provides an excellent route for adult learners into higher education as an alternative to A-Levels. Each year around 30,000 learners in the UK take Access programmes and many go on to succeed in Higher Education and embark on life changing new careers.

Our Access to HE Diploma qualifies for the Advanced Learning Loan. This means that learners can use the loan to cover the cost of their tuitions fees for the course.

If they then go onto study a Higher Education course, upon successful completion of their degree course, their loan will be written off. Otherwise they will pay back the loan (plus interest) when they finish the course and earn more than Â£21,000 a year at a rate of 9% of any income they earn over this amount.

## **Assessment**

You will complete a number of assignments which attract credits.

You will need to obtain a minimum of 60 credits, 45 of which must be at Level 3 (A Level equivalent) some modules will be graded some will not, Universities may speculate how many credits at pass, Merit or Distinction they will be looking for.

You will be assessed via, essays, reports, presentations, role plays, exams and assessments.

## **Progression**

On successful completion of the course you will gain an Access to Higher Education Diploma accredited by Aim Awards.

You will be able to apply for a range of University programmes including Nursing, Midwifery and other health-related subjects.

You should research university courses very carefully to make sure you have what they are looking for: you will be applying for a university place within a few weeks of starting the Access course! It is recommended that you research your preferred career pathway very carefully before starting your Level 3 studies.

## Access to Higher Education Course Diploma in Health Studies (Full-time)

**Level**

3

**Location**

Nuneaton Campus

**Introduction**

This is a QAA approved qualification at Level 3 to provide Access to Higher Education for those learners seeking a career in a Health or Allied Health Profession. The course is a one year full-time course or part-time over 2 years, enabling 19+ learners to be able to study at NWHC and then progress to university to study on a 3 year degree course. Whether you are looking to progress your career, or change direction, this course can provide you with the platform you need.

Access to Higher Education courses can be funded through a 19+ Advanced Learning Loan. If you take out an Advanced Learning Loan to study an Access to Higher Education course, the loan will be written off once you complete a subsequent Higher Education course.

**Study Outline**

You will study a range of Health based modules that have been chosen to facilitate progression to a relevant university course and include: Biological Science; Health Studies; Study Skills; Academic Writing and Maths in a Health Care Context.

You will also have a personal tutor and a weekly group tutorial meeting.

**Entry Requirements**

For full-time study you are required to pass the Access initial assessment.

There may be the requirement for additional studies for those students who need to gain GCSE English or Maths qualifications at grade C or above.

Science is an additional requirement for Nursing and Midwifery.

Please note - Students are advised to check the university entry requirements, including GCSE requirements and Access diploma, for the course that they are interested in.

**Equipment**

No specialist equipment is required

**Important details**

North Warwickshire & Hinckley College has taken care to ensure the information on the website is as accurate as possible at the time of publication. It is intended as a general guide to its courses and facilities and forms no part of a contract. The College accepts no liability and reserves the right to make changes to course information or withdraw without notice any of the programmes or facilities described. It is advisable to check your chosen course information prior to enrolment.

## **Attendance**

Full time is 3 days per week 9.30am - 4.30pm for one year; part time is one day per week over 2 years 9.30am - 5.15pm; or one/two evenings per week over 2 years 5.30pm - 9.30pm.

## **Assessment**

Assessment is a mix of coursework and examinations

## **Progression**

Students who achieve the Diploma can be accepted for university degrees through NWHC or a university, in professions such as: Nursing; Midwifery; Paramedic; Speech and Language Therapy; Physiotherapy; Occupational Therapy or subject based degrees such as Biological Science, Health Studies/Education.

---

contact the Customer Service Team on 0116 264 3535.

We also have a well stocked library of resources.

### **Attendance**

We will expect you to have 100% attendance on the course, 95% is accepted. Learners that have good attendance achieve well!

The Access to HE course provides an excellent route for adult learners into higher education as an alternative to A-Levels. Each year around 30,000 learners in the UK take Access programmes and many go on to succeed in Higher Education and embark on life changing new careers.

Our Access to HE Diploma qualifies for the Advanced Learning Loan. This means that learners can use the loan to cover the cost of their tuitions fees for the course.

If they then go onto study a Higher Education course, upon successful completion of their degree course, their loan will be written off. Otherwise they will pay back the loan (plus interest) when they finish the course and earn more than Â£21,000 a year at a rate of 9% of any income they earn over this amount.

### **Assessment**

You will complete a number of assignments which attract credits.

You will need to obtain a minimum of 60 credits, 45 of which must be at Level 3 (A Level equivalent) some modules will be graded some will not, Universities may speculate how many credits at pass, Merit or Distinction they will be looking for.

You will be assessed via, essays, reports, presentations, role plays, exams and assessments.

### **Progression**

On successful completion of the course you will gain an Access to Higher Education Diploma accredited by Aim Awards.

You will be able to apply for a range of University programmes including Nursing, Midwifery and other health-related subjects.

You should research university courses very carefully to make sure you have what they are looking for: you will be applying for a university place within a few weeks of starting the Access course! It is recommended that you research your preferred career pathway very carefully before starting your Level 3 studies.

## Access to Higher Education Course Diploma in Social Science (Full-time)

**Level**

3

**Location**

Nuneaton Campus

**Introduction**

This is a QAA approved qualification at Level 3 to provide Access to Higher Education for those learners seeking a career in a Social Science or Humanities area. The course is a one year course that enables 19+ learners to be able to study full-time at NWHC and then progress to university to study on a 3 year degree course. Whether you are looking to progress your career, or change direction, this course can provide you with the platform you need.

Access to Higher Education courses can be funded through a 19+ Advanced Learning Loan. If you take out an Advanced Learning Loan to study an Access to Higher Education course, the loan will be written off once you complete a subsequent Higher Education course.

**Study Outline**

You will study a range of Social Science based modules that have been chosen to facilitate progression to a relevant university course and include:

Psychology; Study Skills; Law; Sociology; Criminology

You will also have a personal tutor and a weekly group tutorial meeting.

**Entry Requirements**

For full-time study you are required to pass the Access initial assessment.

There may be the requirement for additional studies for those students who need to gain GCSE English or Maths qualifications at grade C or above.

Please note - Students are advised to check the university entry requirements, including GCSE requirements and Access diploma, for the course that they are interested in.

**Equipment**

No specialist equipment is required

**Important details**

## Access to HE Diploma in Humanities (Full Time)

### Level

3

### Location

South Wigston Campus

### Introduction

Access courses are ideal if you would like to enter higher education but haven't got the necessary qualifications. It is ideally suited to adults who have been out of education for some time and who need to re-learn how to study at a higher level before progressing onto a degree programme.

The Humanities pathway covers a range of subject areas which may see you going to University to study Psychology, English, History, Sociology, Social Care, Media or even Educational Studies. Please check with your university on your chosen degree programme before applying to study an Access to HE course.

### Study Outline

Our 1 year full time Access to Humanities Diploma will see you studying 3 of the following;

• English Literature

• History

• Sociology

With additional modules:

• Core Study Skills - which includes study skills, research methods, applying for HE and presentation skills

• GCSE Mathematics A– improving your grade from a D to a C\*\*

\*\* If you already have grade C, you can be exempted on production of your certificate.

### Entry Requirements

You'll need to evidence that you have GCSE A\*-C in either English or maths with a minimum grade D in the other.

You will be asked to complete an initial assessment of your numeracy and literacy skills; the outcome will determine the best route/level for you.

If you're planning to teach in a primary school, you'll also need GCSE science to meet university entry
