

COURSE INFO

Carpentry and Joinery Level 1

Level	Mode of Study	Location
1	Full Time	Harrowbrook (CTC)

Introduction

This course will enable learners to gain an insight into basic carpentry techniques and skills.

Study Outline

the study program is designed for candidates who work or want to work as a carpenter or joiner in the construction sector. It allows candidates to learn, develop and practice the skills required for employment and/or career progression in carpentry or joinery. The course covers the following skills:

Producing basic woodworking joints, and safely using various hand and power tools.

Entry Requirements

Entry requirements are ideally GCSE at Grade D or above and through initial diagnostic assessment. Learners will also have to attend an interview with a member of the construction team.

Equipment

Learners will have to provide their own stationery equipment and recommended books.

Attendance

One year, three full days per week.

Assessment

Assessment is via completion of coursework and portfolio and awarding body set examinations.

Progression

Successful completion of the course will lead onto the Diploma Level 2 Carpentry. If working in industry and meeting set criteria, NVQ Level 2 carpentry.
