

COURSE INFO

Certificate in Care Planning

Level	Mode of Study	Location
2	Distance Learning	Industry Based

Introduction

Care workers play a key role in ensuring their residents/patients are treated with a friendly and caring approach. Care workers have the ability to relate to people from a variety of backgrounds. After an investigation from the Care Quality Commission revealed that 424 out of 1,357 services in England are rated 'inadequate', the need for high-quality trained care workers has never been greater.

Study Outline

The qualification is suitable for anyone currently working with or intending to work with children and young people and wishes to expand their knowledge of caring for these age groups. Topics covered are safeguarding, importance of early learning, food and nutrition, the value of play and child development.

Entry Requirements

The qualification is available for learners who are 19+ at the start of the Academic year. There are no specific learning requirements but learners will need to demonstrate that they can fulfil the requirements of the awarding body assessment criteria and comply with the relevant literacy and numeracy aspects of the qualification

Equipment

Each learner receives a set of high quality learning materials comprising assessment booklets and knowledge and understanding books which are a valuable resource to keep for reference purposes.

Attendance

The qualification is delivered over a period of 12 weeks.

Assessment

Learners receive the support of a dedicated assessor and complete Unit Assessments to demonstrate that they have met the qualification learning aims and assessment criteria.

Progression

Please see the college website for more details of our range of short level 2 qualifications offered by distance learning.
