They will be experienced in relevant spheres of work (as determined by the Corporation) and able to take an independent, objective and long term view of the Colleges' activities and strategy. Ideally they will be well networked, generous in sharing information and contacts and willing to help the Corporation to think strategically about achieving its aims with a view to long term success and sustainability for the College.
- 8.3 Following its annual audit of Members' skills, experience and knowledge, the Search and Governance Committee will recommend to the Corporation the skills experience and knowledge set required to fill any gaps, bolster areas of weakness or support existing skills held by Corporation Members.
- 8.4 Interviews will be held with the Search and Governance Committee Chair and College Principal, against agreed criteria and approved skills, experience and knowledge sets.

9. Term of Office of Members

- 9.1 The term of office for a Member shall be for four years.
- 9.2 New Members will initially be appointed for a period of a year. If they are re-appointed to the Corporation at the end of this 'probationary period', that year will not count towards their maximum service of 8 years outlined in paragraph 9.6.
- 9.3 The term of office for a Student Member shall be for a period of one year.
- 9.4 Co-opted members shall be appointed for a year with the opportunity for re-appointment thereafter.
- 9.5 The Principal shall be a Member of Corporation for the period of their tenure as Principal, unless they choose not to be a Member.
- 9.6 Staff and Student Members shall be eligible for re-election on condition they are still employed as members of staff or registered as students at the College and are elected by members of staff and the student body at the College as prescribed by Sections 6 and 7 of these Standing Orders.
- 9.7 Members retiring at the end of their term of office shall be eligible for re-appointment for a further term subject to a maximum period of service of 8 years.
- 9.8 Members may only be considered for re-appointment beyond two terms if,
 - i. they have demonstrated excellent commitment to the Corporation in terms of attendance and contribution at meetings; and
 - ii. they have special skills that would be otherwise difficult to find; and
 - iii. their level of governance experience is required to balance the relative inexperience of a number of new Members; or
 - iv. they chair a Committee and the appointment of a successor would be difficult.
- 9.9 Where a Member is re-appointed beyond two terms, the re-appointment should be for a year at a time, until the matters described at point 9.8 above are no longer relevant as determined by the Corporation, following a recommendation by the Search and Governance Committee.

10. Re-appointment of Members

- 10.1 When a Member, other than the Principal or a Staff or Student Member, is due to retire at the end of their term of office, (subject to the maximum period of service under point 9.6 and special

consideration under point 9.7), they shall be eligible for re-appointment in accordance with Instrument 9 of the IAG.

10.2 The Clerk will ascertain from the Member whether they wish to be re-appointed. Where the Member expresses a wish to be re-appointed, the Search and Governance Committee will consider the following matters:

- i. the attendance of the Member at meetings of the Corporation and its Committees;
- ii. the current number of vacancies;
- iii. the difficulty of recruiting a replacement;
- iv. the level of experience of the Corporation;
- v. the value of contribution the Member has made during her/his term of office;
- vi. the particular expertise of the Member;

before making a recommendation to the Corporation, to re-appoint or not.

10.3 The Corporation has set a target for attendance of 80% for Corporation, Committee and Task and Finish Group meetings. Members of the Search and Governance Committee will consider the attendance of each candidate for re-appointment over their period of office when deciding whether to recommend re-appointment. Attendance which is not satisfactory (i.e. is below 80%) will not be an automatic bar to re-appointment and the Search and Governance Committee should consider the candidate's personal circumstances and the other matters to be considered. Where attendance is unsatisfactory, the Chair will be asked to raise the issue with the candidate for re-appointment before a recommendation is made.

10.4 If the Search and Governance Committee recommends that a Member should be re-appointed, the recommendation will be placed on the agenda of the next meeting of the Corporation in the name of the Chair of the Search and Governance Committee, who will speak on the recommendation.

11. Leave of Absence

11.1 A Member may apply to the Search and Governance Committee for leave of absence for a period not exceeding 12 months; this application should be made in writing giving the reasons for the application. A meeting may be held between the Member, the Chair of the Search and Governance Committee and the Principal to discuss the application. Where the application is granted the Member will be written to accordingly, setting out the terms of the authorised absence.

11.2 Where the application is refused, the Member will be informed in writing of that decision with the reasons for refusal. An opportunity to meet with the Chair of Search and the Principal to discuss the Member's continued membership of the Corporation will be offered.

11.3 Any Member aggrieved by the decision may appeal to the Chair of the Corporation who will review the application and make a decision; this decision will be final.

11.4 Where the application is granted the Member will, shortly before their return, meet with the Chair of the Search and Governance Committee and the Principal to:

- i. receive an update on the work of the Corporation during their leave of absence,
- ii. discuss any support they may require on their return;
- iii. identify any training and development needs they may have.

11.5 Where a Member is unable to attend more than two consecutive Corporation or Committee meeting due to illness, they should inform the Clerk to the Corporation who will report the matter to the Search and Governance Committee. The Committee will then decide whether the absence should be discounted from the total number of meetings to be attributed to the Member for the determination of attendance over the academic year.

- 11.6 Permission for absence must be clear and definite and in line with the above procedure; the acceptance of apologies for absence at meetings should not be considered as the giving of permission for absence.

12. Removal of Members

- 12.1 In accordance with the Instrument 10.2, where a Member (including a co-opted member) is unable or unfit to discharge the functions of a Member or has been absent from meetings of the Corporation for a period longer than six consecutive months without the permission of the Corporation, the Corporation may by notice in writing remove him from office and thereupon the office shall become vacant.

- 12.2 The following procedures will be followed to enable the Corporation to act in those circumstances.

12.3 Non Attendance Procedure

12.3.1 If a Member has been absent from meetings of the Corporation for a period longer than four consecutive months without the permission of the Corporation, the Clerk or Chair of the Search and Governance Committee will contact the Member by telephone, email or letter to express formal concern at the absence. (Sample Text A - Appendix 1).

12.3.2 If the absence continues, a formal letter will be sent from the Chair of the Search and Governance Committee to request specific reasons for the poor attendance and to explain that effect of poor attendance on the conduct of business at meetings in relation to quoracy and lack of relevant expertise at the meetings. (Sample Text B - Appendix 1).

12.3.3 The Member may put forward a valid reason for absence which is acceptable to the Chair of the Search and Governance Committee and an extended absence may be agreed in accordance with section 10.

12.3.4 If no acceptable reason is given and the Member is continually absent from Corporation meetings the Chair of the Search and Governance Committee may decide to recommend to the Corporation that the member should be removed for poor attendance. (Sample Text C - Appendix 1).

12.4 Unable or Unfit to Discharge Duties Procedure

12.4.1 Notification of Concerns

Where there is a question as to whether a Member (including a co-opted member) is unable or unfit to discharge the functions of a Member, the Corporation Chair or Vice-chair and the Principal will meet with the Member to outline those concerns and the action to be taken. The Member may be accompanied by another Member as support, but not by a member of the Search and Governance Committee or a legal or professional adviser. The Clerk will be in attendance at this meeting to take notes and offer any relevant advice. A letter of confirmation of the matters discussed at the meeting will subsequently be sent in writing. (Sample Text D - Appendix 1).

12.4.2 Suspension

Consideration by the Corporation Chair or Vice-chair and the Principal will be given as to whether the Member should be suspended from the College premises whilst the procedure takes place. Where suspension is necessary, the Corporation Chair or Vice-chair will write to the Member to inform them of the terms of the suspension and the reasons for it.

12.4.3 Investigation

An investigation will be carried out by at least one member of the Audit Committee. The results of the investigation will be reported to the Corporation Chair or Vice-chair and the Principal. If the investigation shows that the concerns are unfounded and there is no case to answer, the Member will be informed accordingly and where appropriate, re-instated. If the result of the investigation show that the concerns may be sustained then a hearing must be convened.

12.4.4 **Hearing**

A mutually convenient hearing date will be set, giving the Member sufficient notice of the action proposed and inviting representations either in writing or at the meeting. Any documentation in support of the concerns, (including the results of the investigation) will be sent to the Member prior to the hearing. (Sample Text E - Appendix 1).

Three members of the Search and Governance Committee (including where possible the Chair of the Search and Governance Committee), will make up the Hearing Panel, accompanied by the Clerk.

The Member should be accompanied by another Member as support, but not by a member of the Search and Governance Committee or a legal or professional adviser. If the Member chooses not to be accompanied, a member of the Human Resource team should be brought in as an independent observer.

If the Member fails to attend without good reason, the meeting will go ahead in their absence. The meeting can be adjourned for good reason at the request of the Member, but only by up to a further 5 days.

The hearing will consider the following resolution:

“That the Corporation is satisfied that the Member is unfit/unable to discharge the functions of a Member of the Corporation, and that the Chair of the Corporation be authorised to give notice to that effect in writing to the Member to remove him/her from office in accordance with Instrument 10(2), this decision to take effect from *time on date of meeting.*”

The Member has the right to reply, either by written or personal representation.

The Member and supporting colleague will withdraw, allowing the Hearing Panel to consider the concerns and determine the action to be taken. The Hearing Panel shall take all representations into account and shall take such action as it considers appropriate.

The Member will be invited back into the hearing to be informed of the Panel's decision as to whether or not to propose a resolution to remove, to the Corporation. Written confirmation of the decision will be sent to both parties within three working days of the meeting. (Sample Text F & G - Appendix 1).

Where the Corporation will be asked to consider a resolution to remove the Member concerned, the Member will be advised of their right to appeal against the decision. An appeal should be made in writing to the Clerk to the Corporation within 10 working days.

Any recommendation to remove the Member from office will be suspended until after the appeal is heard and the final decision determined.

12.4.5 **Appeal**

An appeal will be heard by a panel from the Corporation, not including Search and Governance Committee members who were part of the Hearing Panel and any member who investigated the matter. The Appeal Panel will re-consider the decision of the Hearing Panel and will listen to representations from the Member.

12.4.6 **Corporation Decision**

The proposal of a resolution to remove a Member will be made to the Corporation by the Chair of the Search and Governance Committee at the next Corporation meeting or a specially convened meeting.

The Corporation will take such action as it considers appropriate and will communicate their decision to the Member within one working day. The resolution will be determined by a simple majority vote in accordance with clause 14(1) of the Instrument and Articles of Governance.

If the resolution is passed, the Clerk will give notice in writing within one working day to the Member:

- i. informing the Member of the resolution, its date, and the fact it was passed;
- ii. removing the Member from office in accordance with Instrument 10(2).

12.5 Removal with Immediate Effect

- 12.5.1 The Chair of the Corporation, or in the Chair's absence the Vice-chair, may remove a Member with immediate effect, without any need for prior notice and without referral to a Hearing Panel where the circumstances are such that the Chair of the Corporation, or in the Chair's absence the Vice-chair, is entitled to do so by reason of the serious or gross misconduct of the Member.

15. Removal of the Corporation Chair and Vice-chair

- 15.1 A Member may be removed from the position of Chair or Vice-chair using the procedures outlined in section 11.
- 15.2 Where it is proposed to remove the Chair or the Vice-chair, the Chair of the Search and Governance Committee will propose the resolution to remove and the Clerk will be authorised by the Corporation to give notice to the Chair of that resolution. Once notice is given the office becomes vacant immediately though the person remains a member of the Corporation unless he or she is to be removed as a member of the Corporation as well. If this is the case, the resolution will make this clear.

16. Register of Members' Interests and Declarations of Interest

- 16.1 At the start of each academic year, the Clerk shall request each Member, members of the Executive Team and substantial budget holders and through them, any close family members, to make a declaration of any business or other interest which might lead to a conflict of interest on their part during the transaction of Corporation business.
- 16.2 On appointment, new Members will be requested to make a declaration of any business or other interest which might lead to a conflict of interest on their part during the transaction of Corporation business.
- 16.3 The Clerk shall maintain a register of interest of Members derived from these declarations and publish the register on the College website.

- 16.4 The Clerk shall circulate with each set of Corporation papers an invitation to each Member to make a declaration of any new business or other interest which might lead to a conflict of interest on their part during the transaction of Corporation business, which has arisen since the last declaration.
- 16.5 If a Member has an interest on a specific agenda item, they should declare that interest at the start of the meeting and should (where necessary), withdraw from the meeting while the item on which they have declared an interest is discussed.
- 16.6 If, during discussion of an item, it becomes apparent to a Member that they have an interest in that matter, they should make a declaration and withdraw from the meeting for the remainder of the discussion on that item.
- 16.7 If any Member feels that another Member has an undeclared interest in any matter relating to the institution, they should report the matter to the Clerk, who will, in the first instance, raise the matter with the Member who may have an undeclared interest. It will, however, not be part of the Clerk's role to conduct a forensic investigation into the matter but merely to give the Member the chance to either deny the report or to declare the interest.
- 16.8 If the Member raising the matter is not satisfied with the outcome, they should present evidence of the allegation to the Clerk and the Chair or, if the allegation is about the Chair, to the Clerk and Vice-chair.

17. Disclosure and Barring Service Checks for Corporation Members

- 17.1 The Disclosure and Barring Service (DBS) enables an employer to request a check be carried out on a person to confirm their suitability for certain types of work, particularly work involving contact children (under 18) or vulnerable adults.
- 17.2 The College is committed to safeguarding and promoting the welfare of children and vulnerable adults and expects all staff and volunteers to share this commitment; consequently all Members will undertake a CRB check on appointment.
- 17.3 The Human Resource (HR) Team will process all applications by Members to the DBS for a criminal records check and all certificates referring to such applications returned by the DBS.
- 17.4 All applications for criminal records checks submitted by Members will be processed at the College's expense.
- 17.5 Immediately on receipt of a certificate from the DBS relating to Members, the member of the staff processing the certificate will report any disclosure of a criminal record to the Group Director Human Resources.
- 17.6 The Group Director Human Resources will pass this disclosure to the Clerk, who will inform the Chair as soon as possible. Where the Chair is the Member who has a criminal record, the Clerk will inform the Vice-chair. In this case all references to the Chair will be taken as references to the Vice-chair.
- 17.7 The Chair and Clerk will
 - i. ensure that the person concerned has the opportunity to discuss the disclosure;
 - ii. apply the Safeguarding of Children and Vulnerable Adults Policy;
 - iii. consider other relevant Government safeguarding guidance;
 - iv. apply the terms of Instrument 8 (which defines the criminal convictions which make a person ineligible for membership of the Corporation);
 - v. preserve confidentiality as far as possible;
 - vi. apply relevant data protection guidelines.
- 17.8 The Chair will, as soon as possible, ask the Member concerned to resign forthwith from the Corporation if:

- i. the check shows that the Member was convicted of an offence concerning children, young people or vulnerable adults;
- ii. the check shows that the Member was convicted of any offence:
 - within the previous 5 years, whether in the United Kingdom or elsewhere, and has received a sentence of imprisonment, whether suspended or not, for a period of three months or more, without the option of a fine; or
 - within the previous twenty years, as set out in paragraph 7(a), and has received a sentence of imprisonment, whether suspended or not, for a period of more than two and a half years; or
 - as set out in paragraph 7(a) and has received a sentence of imprisonment, whether suspended or not, of more than five years,

17.9 If the Member declines to resign, Standing Order 11 - the Removal of Members will be invoked.

17.10 If a Member refuses to undertake a DBS check, the Chair will also ask for their resignation and if they decline to resign, Standing Order 11 - the Removal of Members, will be invoked.

17.11 Where at all possible, new Members will be requested to undertake a DBS check before appointment. Where this is not possible, appointment will be conditional on the receipt of confirmation of suitability.

18. Conduct of Meetings

18.1 Schedule of Meetings

18.1.1 The Clerk shall propose a schedule of dates for meetings of the Corporation and its Committees in the following academic year designed to align with the relevant requirements of the Corporation's business, at the June meeting of the Corporation.

18.1.2 The Clerk will devise a governance business planner each year in conjunction with the Executive Team, by which the Corporation's business will be scheduled, for approval by the Corporation.

18.2 Attendance

18.2.1 Members shall attend, as far as is reasonably practicable, all meetings of the Corporation and those Committees and Task and Finish Groups of which they are members.

18.2.2 If Members are unable to attend a meeting, they should notify the Clerk, giving as much notice as possible of their absence and offering an explanation for their absence. This will enable apologies to be recorded and the Clerk to judge if the meeting will be quorate and take the appropriate action where it is not.

18.2.3 If the Clerk judges that a meeting will be inquorate, they will immediately inform the Chair.

18.2.4 The Clerk will maintain a register of attendance at meetings for future reference by Members and other interested parties.

18.2.5 The Clerk will offer the Member's apology and give the reason provided for their non-attendance; it will be a matter for the Corporation to determine whether the apology is acceptable or not. Where the apology is not accepted then this decision will be recorded in the minutes. Where the apology is accepted, it will be so recorded.

18.2.6 It should be noted that Instrument 10(2) enables the Corporation to consider removing a Member from office if they have been absent from all relevant meetings of the Corporation for a period longer than six consecutive months without the permission of the Corporation.

18.3 Quorum

18.3.1 The quorum for a Corporation meeting is prescribed by the IAG as forty percent of the membership. For the time being the membership of the Corporation has been determined as eighteen; a quorum is therefore seven Members

- 18.3.2 If the number of Members assembled for a meeting of the Corporation does not constitute a quorum then the meeting shall not be held. If in the course of a meeting of the Corporation a number of Members withdraw so the number present ceases to constitute a quorum, the meeting shall be terminated forthwith.
- 18.3.3 If for lack of quorum a meeting cannot be held or, as the case may be, cannot continue, the Chairman shall, if he thinks fit, cause a special meeting to be summoned as soon as conveniently may be.
- 18.3.4 The quora for Committees has been determined by the Corporation as:
- i. Audit Committee: 4-8 members, with a quorum of 3 members;
 - ii. Remuneration Committee: 5 members with a quorum of 3 members;
 - iii. Search and Governance Committee: 4-8 members, with a quorum of 3 members;
 - iv. Resource Committee: 4-8 members, with a quorum of 3 members.
 - v. Learning and Quality Committee: 4-8 members, with a quorum of 3 members.
 - vi. The quora for any Task and Finish Group is 30% of its membership.

18.4 Proceedings of Meetings

18.4.1 Rules of Debate

Debate shall be conducted according to the guidelines laid out in 'The ABC of Chairmanship' by Walter Citrine (published by the Fabian Society 1985), unless modified by the IAG.

18.4.2 Withdrawal from Meetings

- i. The Clerk shall note in the minutes the time of any withdrawal from a meeting by a Member and their name.
- ii. A Member of the Corporation who is a member of staff shall withdraw from any part of any meeting at which his own remuneration, conditions of service, promotion, conduct, suspension or dismissal, or the appointment of his successor, are to be discussed.
- iii. A Member of the Corporation who is a member of staff shall withdraw from any part of any meeting at which the appointment, remuneration, conditions of service, promotion, conduct, suspension or dismissal of a named member of staff senior to himself is to be discussed, if requested to do so by resolution of the majority of those members present.
- iv. A Student Member shall withdraw from any part of any meeting at which the appointment, remuneration, conditions of service, promotion, conduct, suspension or dismissal of a member of staff is to be discussed, if requested to do so by one other member present.
- v. A Student Member shall withdraw from that part of a meeting at which any other student's conduct, suspension or expulsion is to be considered.
- vi. A Member who has declared an interest in a matter under discussion at a meeting of the Corporation or Committee may not vote on that matter nor may they count towards the quorum and shall withdraw from that part of the meeting if requested to do so by resolution of the majority of those Members present.

18.5 Voting Procedures at Meetings

- 18.5.1 Every question to be decided at a meeting of the Corporation shall be determined by a majority of votes of those present and entitled to and voting on the question.
- 18.5.2 Voting shall be by show of hands, except for the election of the Chair and Vice-chair of the Corporation. A member may not vote by proxy.
- 18.5.3 Where an equal number of votes are cast for and against a proposition, the Chair of the meeting shall have a second or casting vote.
- 18.5.4 A Student Member may not vote on any proposition:

- i. concerning his/her own conduct, suspension or expulsion;
 - ii. concerning the appointment, remuneration, conditions of service, promotion, conduct, suspension or dismissal of a member of staff or potential member of staff.
- 18.5.6 If a Student Member has not yet reached the age of eighteen, he/she may not vote on any proposition:
- i. concerning the expenditure of money by the Corporation;
 - ii. under which the Corporation would enter into a contract or incur a debt or liability.

18.6 **Voting By Written Resolution**

- 18.6.1 As provided by Article 14.3a Members may, in specified circumstances, decide a matter by way of a written resolution.
- 18.6.2 The matter will be decided by a majority of votes cast by Members entitled to vote on a question.
- 18.6.3 The written resolution may be circulated and voted on by electronic or hard copy means.
- 18.6.4 A report as to the outcome of the circulation of a written resolution will be reported at the next Corporation meeting.

18.7 **Procedure for the Reconsideration of Resolutions**

No resolution of the Members may be rescinded or varied at a subsequent meeting unless consideration of the rescission or variation is a specific item of business on the agenda for that meeting.

18.8 **Special Meetings**

- 18.8.1 A special meeting shall be called by the Clerk either:
- i. on the instruction of the Chair or;
 - ii. at the request in writing of any five Members.
- 18.8.2 Where the Chair, or in his/her absence the Vice-chair, so directs on the grounds that there are matters demanding urgent consideration, it shall be sufficient if the written notice convening the meeting, and the agenda, are circulated less than seven days before the meeting.

18.9 **Public Access to Meetings**

- 18.9.1 Members of the Corporation and the Clerk will be entitled to attend all meetings of the Corporation unless specifically excluded by the IAG or Corporation Standing Orders.
- 18.9.2 The Corporation and its Committees will determine, from time to time, whether it will permit or require attendance of non-members of the Corporation or a Committee at meetings. While the majority of business conducted by the Corporation is not confidential, the Corporation has determined that it is not appropriate as a matter of course for members of the public or the press to be in attendance at meetings as observers. Members of the public who wish to attend all or part of a Corporation meeting should provide a written request to the Clerk for consideration by the Corporation.
- 18.9.3 No person other than a member of the Committee and/or the Clerk shall be entitled to attend meetings of a Committee except at the invitation of the Committee.
- 18.9.4 Senior staff of the College may be invited or required to attend to present or contribute to relevant agenda items of Corporation or Committee meetings by the Chair or Committee.
- 18.9.5 The Corporation places responsibility on the Principal and Clerk to ensure that members of College staff withdraw from meetings as and when the need arises. If, however, one or more Corporation Members believe that members of the staff should withdraw from a meeting for a particular item they are required to bring this to the attention of the meeting. The Corporation or the Committee will then decide on the matter.

19. Agenda, Papers and Minutes

19.1 Agenda

- 19.1.1 The business of a formal meeting will be clearly set out in an agenda. The agenda will be determined by Corporation Governance Business planner with input from the Chair and Principal, taking account of advice from the Clerk, as matters arise and of the right of the Members and the Clerk to put forward matters for consideration.
- 19.1.2 **Urgent Business** - whilst the use of 'Any Other Business' is discouraged, agendas for meetings of the Corporation, Committees and Task and Finish Groups may include 'Urgent business raised by permission of the Chair and sought in advance of the meeting'. The item will normally appear in the agenda before scheduled business. Members are asked to attempt to give prior notice to the Clerk or the Chair of their intention to raise an item of urgent business, the subject matter and the reason for the urgency. The Chair will determine if a request for urgent business is one that meets the following criteria:
- i. it is the proper business of the Corporation to consider having regard to the IAG and the terms of reference of the Committees and Task and Finish Groups;
 - ii. it requires urgent attention.
- 19.1.3 **Consent Agenda** - matters in this section will be taken as a single agenda item with each proposal being agreed without introduction or discussion. Any Member wishing to discuss any matter or to dissent from any proposal listed below should in the first instance clarify any points with the author of the accompanying paper. If the Member still wishes clarification or discussion in the Corporation meeting, they should inform the Chair and Clerk in advance; the matter will then be moved into the main body of the agenda.

19.2 Papers

- 19.2.1 Papers will be produced informing all agenda items with the exception of the Principal's verbal update.
- 19.2.2 Instrument 12 provides that written notice of Corporation meetings and a copy of the proposed agenda shall be sent at least seven calendar days before the date of the meeting. On the basis that Corporation and Committee meetings are currently held on a Thursday, the agenda and supporting papers will be sent to Members by first class post or email on the preceding Thursday.
- 19.2.3 Papers relating to separate agenda items will be produced in different colours to distinguish them from each other and will be spiral bound.
- 19.2.4 Papers which are not to be made available to Staff and Student Members will be separately bound and identified as such by a front sheet.
- 19.2.5 Where papers are unsuitable to send in hard copy through the post, they may be provided to Members on a CD, emailed or via the College Moodle site. In such cases the Clerk will ensure that all Members are able to access the papers or will make other appropriate arrangements.
- 19.2.6 Members may indicate that they wish to receive electronic papers by email.

19.3 Minutes

- 19.3.1 The Clerk shall take and keep minutes of every meeting of the Corporation and of its Committees.
- 19.3.2 The draft minutes of a meeting will be sent by the Clerk to the Chair of the meeting for approval, normally within 14 working days following the meeting. The Chair of the meeting will indicate any amendments they feel are required, or will agree the draft, normally within one week of receiving the draft minutes.

- 19.3.3 At every meeting of the Corporation and of its Committees, the minutes of the last meeting shall taken as an agenda item, and, if agreed, shall be signed as a correct record by the Chair of the meeting.
- 19.3.4 At every meeting of the Corporation and its Committees, a schedule of actions contained in previous minutes shall be discussed. Where an action has been carried out this shall be noted, otherwise the action shall be carried forward to the schedule presented to the next meeting.
- 19.3.5 Each Corporation meeting shall note the minutes of meetings of Committees which have taken place since the last meeting of the Corporation
- 19.3.6 Separate minutes shall be taken of those parts of meetings from which Staff or Student Members have withdrawn. The Members who have withdrawn shall not be entitled to see these separate minutes.
- 19.3.7 It is important that there is clarity in recording the business of the Corporation and its Committees. As the statutory responsibilities of both the Corporation and the management of the College are significant, minutes of meetings will therefore report briefly the discussion that takes place on an issue and clearly record the course of action adopted.
- 19.3.8 Decisions of the Corporation will be recorded in full with 'approval' being noted. A proposer and seconder of the decision will also be noted.
- 19.3.9 Discussions on agenda items that lead to a common (but informal) understanding of the way to view an issue or the direction in which to proceed will be signalled by the use of the word 'agreed'. Other terms may also be appropriate from time to time, such as 'noted', 'received' or 'resolved'.
- 19.3.10 Individual comments by Members may be recorded but shall not be directly attributed to that Member by name.
- 19.3.11 Minutes of Task and Finish Group meetings, may be less formal and more concise and will be described as 'meeting notes' rather than minutes.

19.4 **Publication of Agenda, Papers and Minutes**

- 19.4.1 Agenda and non-confidential minutes for each Corporation and Committee meeting shall be placed by the Clerk on the College website following approval by the Corporation, as soon after that approval is given as possible.
- 19.4.2 Meeting notes from Task and Finish Groups shall be included in the Corporation meeting papers and as such will not be published separately.

19.5 **Confidential Matters**

- 19.5.1 The criteria for confidentiality as set out in Instrument 17(2) is to exclude from any item made available for inspection any material relating to:
 - i. a named person employed at or proposed to be employed at the institution;
 - ii. a named student at, or candidate for admission to, the institution;
 - iii. the Clerk; or
 - iv. any matter which, by reason of its nature, the Corporation is satisfied should be dealt with on a confidential basis.
- 19.5.2 The Corporation has also agreed to determine papers to be confidential if they concern:
 - i. personal information relating to a named individual or individuals;
 - ii. information provided in confidence by a third party who has not authorised disclosure;
 - iii. information where ongoing negotiations may be prejudiced;
 - iv. information where financial budgeting may be prejudiced;

- v. information regarding the College's financial position, where disclosure may harm it or its competitive position;
 - vi. information where a proposal concerning staffing matters are at an early stage of discussion;
 - vii. legal advice received from or instructions given to, the College legal advisers;
 - viii. information planned for publication in advance of that publication;
 - ix. information not otherwise covered above, but considered to be commercially sensitive.
- 19.5.3 Recommendations as to confidentiality will be proposed by the author of the paper. It will be for the Corporation or the Committee to take a final decision as to confidentiality at the meeting.
- 19.5.4 Papers that are regarded as confidential will clearly state the reason for the decision of confidentiality.
- 19.5.6 Marking an item as confidential does not preclude later consideration of confidentiality should an information access request be made. The Chair, or Vice-chair in the Chair's absence, will decide if the information request is to be met, taking advice from the Clerk, the Principal, and Committee Chair if appropriate. In taking that decision, they will give due consideration to legislation on information sharing. Advice from external sources may be sought, including legal advice.
- 19.5.7 Instrument 17 requires the Corporation to regularly review all material excluded from inspection and make any such material available for inspection where it is satisfied that the reason for dealing with the matter on a confidential basis no longer applies, or where it considers that the public interest in disclosure outweighs that reason.
- 19.5.8 At the first meeting of each academic year, the Corporation shall examine all decisions on confidentiality made in the previous year. Where the Corporation is satisfied that the matter need no longer be deemed confidential, the confidential minute shall be placed in the College library with the minutes of the Corporation or Committee at which the matter was discussed.

The Skills Funding Agency, Cheylesmore House, Quinton Road, Coventry
CV1 2WT

Telephone: 0845 377 5000 / Email: info@skillsfundingagency.bis.gov.uk.

25.2 The SFA will not normally deal with complaints unless they have been first registered under the College complaints procedure and the complainant is dissatisfied with the College investigation of the complaint or the redress offered.

25.3 The procedure for consideration of complaints against the Corporation or individual Members is as follows.

25.3.1 **Scope**

This procedure applies to complaints against the Corporation alleging either that it has failed to:

- i. to discharge a statutory duty set out in IAG (or has failed to discharge such responsibilities in a satisfactory manner), or
- ii. observe the requirements of the relevant sections of the Further and Higher Education Act 1992 (as amended by the Learning and Skills Act 2000), or any other instruction from the SFA or the Department for Business or the Department for Education (DfE).

 - that there is evidence of malicious intent on behalf of the complainant (in which case the Corporation may be asked to consider whether to pursue legal action); or
 - that the matter should not be pursued on grounds of triviality or insufficient evidence (in which case the Chair shall write to the complainant explaining this).

- 26.7 The Clerk should immediately report to the Chair any attempt by management or a Member of the Corporation to influence them in the execution of their duty in a way which appears inappropriate. Appendix 3

Procedure for the Appointment of Senior Post-holders

1. Approval

- 1.1 The decision to appoint a senior post-holder will be made by the full Corporation, following advice from the Principal. The discussion shall be supported by a job description and person specification and organisational overview justifying the new/replacement post.
- 1.2 At the earliest opportunity following the decision to appoint a senior post-holder, the Corporation will appoint at least five Members, including the Principal to form a Selection Panel. If possible the Selection Panel should have a neutral age and gender balance and reflect the overall College ethnic profile.

2. Advertisement

- 2.1 Other than in exceptional circumstances, all posts will be advertised nationally.
- 2.2 The Principal will advise the Assistant Principal Human Resources (HR) on the content of the advertisement and the media to be used following approval by the Corporation.
- 2.3 The Principal following approval from the Corporation will advise the Assistant Principal HR on the period in which completed application forms should be returned. Late applications, curriculum vitae or letters of application not accompanied by a properly completed application form, will not be considered.

3. Short Listing

- 3.1 Short listing is an integral part of the selection process and will be undertaken by the Selection Panel. The Panel will receive copies of all applications received, together with the job description, person specification and a short listing pro-forma.
- 3.2 The person specification will be the tool used in the short listing process: candidates failing to meet the criteria will not be considered further. Candidates who do meet the criteria will be invited to attend for interview unless there are too many for practical purposes. In this case the criteria in the person specification may be tightened.

4. Invitation and References

- 4.1 A selection procedure will be agreed by the Selection Panel, who will have access to advice from the Assistant Principal HR. Candidates will be given access to such information as will allow them to have a reasonable understanding of the nature of the process.
- 4.2 Candidates will be invited to attend the selection procedure with at least ten days notice. It is the College's policy to pursue references prior to interview, to inform the selection procedure, and so the Assistant Principal HR will attempt to obtain in that time at least one of the references requested. If the candidate has indicated that they should be contacted before any approach is made to referees, then the approach will be made by a person nominated by the Assistant Principal HR.
- 4.3 Candidates will be requested to confirm that they will attend the selection; if they have not done so by the day before interview then the HR Team will try to contact the candidate to confirm or otherwise.
- 4.4 In appropriate circumstances accommodation will be offered to interview candidates who otherwise might be disadvantaged by undertaking a substantial or arduous journey.

5. Selection Process

- 5.1 The College does not operate a single selection method which it applies universally across all posts. Given the very significant investment in senior post-holder appointments, the process will be more extensive than that used for other appointments.
- 5.2 In addition to the Selection Panel interview there will be other relevant selection activities. In arranging these activities care will be taken to establish objective criteria against which candidates will be judged, reflecting the needs of the person specification.
- 5.3 Generally, a series of panel interviews will be employed, each with a specific focus; these panels will feed reports back to the Selection Panel. Following such feedback some candidates may be released from the selection procedure, before final interview stage. Candidates will have been advised of this procedure at the commencement of the selection process.

6. Final Interview

- 6.1 The Selection Panel will conduct the final interview.
- 6.2 The actual interview will take place in a protected environment, free from personal or telephone interruption, and it will be long enough to provide both Panel and candidate with sufficient information to make a judgement. Areas covered during the interview will again reflect the job description / person specification and all candidates will be treated similarly. Gender, ethnicity, disability or age will not play any part in the selection procedure.

7. Decision

- 7.1 Other than in exceptional circumstances, a decision will be reached on the day of the interview. The result will be communicated promptly to all candidates, successful or otherwise.
- 7.2 Where a candidate requests feedback on their performance during the selection procedure this will be provided.

- 1.2 The Clerk has been determined by the Corporation to be treated as a senior post-holder. In such circumstances where the Clerk is bringing any grievance proceedings under this procedure, the Corporation shall appoint an appropriate person to fulfil the tasks of the Clerk to the Corporation under these sections.
- 1.3 The procedure will be applied in accordance with the Articles of Government of the Corporation and in accordance with the Advisory, Conciliation and Arbitration Services (ACAS) Code of Practice, 'Disciplinary and Grievance Procedures', dated April 2009.
- 1.4 The purpose of this procedure is to:
 - i. enable senior post-holders who consider that they have a grievance or complaint arising from their employment to have it dealt with at the appropriate level as expediently as possible;
 - ii. to promote fairness and consistency in the process by which grievances or complaints arising from a senior post-holder's employment is considered.
- 1.5 This procedure will not apply to any grievances concerning complaints or disputes which are covered by separate procedures or arrangements of the Corporation.

2 General Principles

- 2.1 A senior post-holder has the right to be accompanied at formal grievance meetings by a representative of a trade union or fellow worker of their choice, subject to a reasonable request being made.
- 2.2 The Corporation will ensure that its Members are familiar with the provisions in this procedure.
- 2.3 Every effort will be made to resolve the grievance at the informal stage.
- 2.4 In the interest of ensuring that grievances are resolved as speedily as possible, time limits are given for appropriate stages in this procedure. These are for guidance. If it is not practicable to adhere to these time limits, they may be amended, ideally by mutual agreement. Due regard will be given to the personal circumstances of all parties involved in the procedure.

3 Stage 1 - Informal Procedure

- 3.1 If a senior post-holder has a grievance relating to his/her employment, the matter should be raised initially with the Principal. The grievance should be raised orally in the first instance. In the event that the grievance relates to the Principal, or is raised by the Principal, the grievance should be raised with the Clerk to the Corporation, who will inform the Chair of the Corporation and arrange for a member of the Corporation to consider the grievance.
- 3.2 The person considering the grievance will take appropriate steps to resolve the grievance as quickly as possible on an informal basis. He/she shall enquire into the grievance and will discuss it with the senior post-holder. A written record of the discussion and the outcome will be provided within ten working days after the complaint is received. It is anticipated that most grievances will be resolved at this stage.
- 3.3 If the matter is very serious (as determined by the person dealing with the grievance) or in other circumstances where the senior post-holder does not wish to raise the matter informally, the person dealing with the grievance, (i.e. the Principal or the Corporation Member), may proceed straight to the formal stage of the procedure.

4 Stage 2 - Formal Procedure

- 4.1 If the senior post-holder feels that the matter has not been resolved through informal discussion, or in the event that paragraph 3.3 applies, the grievance should be put in writing.
- 4.2 The grievance should provide full details of the complaint and should be addressed to the Clerk to the Corporation to be considered at this stage by a Member of the Corporation who did not hear the grievance at the informal stage. The Clerk will inform the Chair of the Corporation and the Principal that a complaint has been received.
- 4.3 The Clerk to the Corporation on behalf of the Corporation will, as soon as possible, (ideally within ten working days, but no longer than fifteen, on receipt of the written grievance), arrange a grievance meeting.
- 4.4 The senior post-holder may be accompanied at the meeting by a trade union representative or work colleague. The Clerk will in writing remind the senior post-holder of the right to be accompanied prior to a grievance meeting. Before the meeting, the senior post-holder should inform the Clerk to the Corporation who he/she has chosen to be a companion.
- 4.5 If the grievance involves another employee, the Corporation Member may require the attendance of that employee or any other employees who may be able to provide relevant information. If the senior post-holder wishes to call relevant witnesses to the meeting, he or she should advise the Clerk to the Corporation of this in advance of the meeting. The senior post-holder will be informed prior to the meeting if the Corporation intends to call relevant witnesses.
- 4.6 At the meeting the senior post-holder or his/her companion will be given the opportunity to explain the nature of the grievance, submit verbal and/or written evidence and call appropriate witnesses.
- 4.7 The Corporation Member hearing the grievance will consider all of the matters raised at the meeting and undertake all reasonable investigations into the grievance.
- 4.8 The Corporation Member's decision will be communicated in writing by the Clerk to the senior post-holder as soon as reasonably practicable following the meeting; ideally within five working days, and normally within ten, of the meeting. The letter to the senior post-holder will outline, where appropriate, what action the Corporation intends to take to resolve the grievance, and will also inform him or her of the right to appeal. Where the decision is to not uphold the grievance, the Corporation member will explain the reasons for this in the letter. Any other parties involved in the grievance will also be appropriately informed of the outcome.
- 4.9 If it is not possible for a decision to be reached within ten working days, the Clerk will write to the senior post-holder with an explanation for the delay and when the written decision can be expected.

5 Stage 3 - Appeal

- 5.1 If the grievance is not resolved to the satisfaction of the senior post-holder at Stage 2, he or she may appeal. Any such appeal must be submitted in writing, setting out the full grounds for the appeal, and sent to the Clerk to the Corporation within ten working days of receipt of the decision reached at Stage 2.
- 5.2 The Corporation will, as soon as possible (and in any event, within ten working days of receipt of the written appeal), appoint a committee of the Corporation (the Appeal Committee). The Appeal Committee will not include any member of the Corporation who has been involved with the grievance process in question so far, nor any staff or student member. The Appeal Committee will invite the senior post-holder to an appeal meeting.
- 5.3 The senior post-holder will be entitled to be accompanied at the appeal meeting by a trade union representative or work colleague.
- 5.4 The Appeal Committee will consider the appeal and may be supplied with all of the documentation submitted in relation to the earlier stages of the procedure. If the grievance involves another employee, the Appeal Committee may require the attendance of that employee at the appeal meeting, or any other employees who may be able to provide relevant information.

- 5.5 The appeal decision will be provided in writing by the Clerk to the Corporation within ten working days of the appeal meeting. Any other parties involved in the grievance will also be appropriately informed of the appeal decision. If it is not possible for a decision to be reached within this period, the Clerk will write to the senior post-holder on behalf of the Appeal Committee with an explanation for the delay and when the written decision can be expected.
- 5.6 The Appeal Committee's decision shall be final.

Annex 1

Notes Relating to the Grievance Procedure

1.1 Section 3 - the Right to be Accompanied

- i. Employees have the statutory right to be accompanied by a fellow worker or trade union representative, where they are invited by the employer to attend a grievance meeting and when they make a reasonable request to be so accompanied.
- ii. The trade union representative can be an officer employed by a trade union, or a lay trade union officer, so long as (in the latter case) they have been reasonably certified in writing by their union as having experience of, or as having received training in, acting as an employee's companion at grievance meetings.
- iii. An employee may ask an official from any trade union to accompany them at a grievance meeting, regardless of whether or not he or she is a member or the union is recognised by the College.
- iv. A fellow worker or trade union representative who is to accompany the employee at the grievance meeting should be permitted to take a reasonable amount of paid time off to fulfil this. This should cover the grievance meeting and it is also good practice to allow time for the companion to familiarise themselves with the case and confer with the employee before and after the meeting.
- v. To exercise the statutory right to be accompanied, an employee must make a reasonable request. What is reasonable will depend on the circumstances of each individual case. However, it would not normally be reasonable for an employee to insist on being accompanied by a companion whose presence would prejudice the meeting nor would it be reasonable for an employee to ask to be accompanied by a companion from a remote geographical location if someone suitable and willing was available on site.
- vi. The companion should be allowed to address the meeting to put and sum up the employee's case, respond on behalf of the employee to any views expressed at the meeting and confer with the employee during the meeting. The companion does not, however, have the right to answer questions on the employee's behalf, address the meeting if the employee does not wish it or prevent the employer from explaining their case.

1.2 Section 5 - Appeal

- i. Ideally the Appeal Committee will include the Chair and/or Vice-Chair of the Corporation, as long as they have not been involved so far in the grievance in question. The intention is that the Appeal Committee includes people who are senior to person who heard the original grievance.

Appendix 5

Disciplinary and Dismissal Procedure for Senior Post-holders

1. Scope and Purpose

- 1.1 This procedure applies to all senior post-holders as defined in the Corporation's Articles of Government, including the Principal and the holders of such other posts as the Corporation shall from time to time determine to be senior posts, namely the Vice Principals and the Clerk to the Corporation.
- 1.2 The purpose of the procedure is to:
 - i. to help and encourage senior post holders to achieve and maintain acceptable standards of conduct and work performance; and
 - ii. to ensure consistent and fair treatment, whether in relation to disciplinary action taken in response to allegations of unacceptable conduct or performance, or in any other circumstances such as redundancy where it may be appropriate to dismiss a senior post-holder.
- 1.3 This procedure does not form part of senior post-holders' contracts of employment, and accordingly may be amended at any time by the Corporation in its absolute discretion, after consultation with senior post-holders.
- 1.4 Definitions
 - i. 'Chair / Vice-Chair,' mean respectively the Chair and Vice-Chair of the Corporation.
 - ii. 'Days,' unless otherwise stated all references to "days" refer to calendar days.
 - iii. 'Investigating Officer,' the person (whether a senior post holder, member of the Corporation or a third party), appointed by the Special Committee where dismissal may be appropriate, or otherwise appointed by the Chair or Vice-Chair, to investigate a complaint or other matter that requires investigation.
 - iv. 'Special Committee,' as defined in Section 5 below.

2. General Principles

2.1 Investigations

Other than in exceptional circumstances, no disciplinary action will be taken against a senior post-holder until the circumstances of the matter complained of or any other matter that requires consideration have been investigated. If appropriate, the senior post-holder may be suspended in accordance with section 7 below, whilst the investigation is carried out. Where dismissal may be appropriate for reasons other than unacceptable conduct or performance, for example redundancy, dismissal will not occur until the relevant circumstances have been investigated.

2.2 Disciplinary Hearings

If it is necessary to hold a disciplinary hearing relating to the matter complained of, the senior post-holder will normally be advised of the nature of the complaint against him/her at least 10 days before such hearing. The hearing will be conducted by the Chair or Vice-Chair at stages 1 and 2 and by the Special Committee at stage 3. Full details of the procedure to be followed are at Section 3 below.

At any disciplinary hearing, the senior post-holder will be given an opportunity to state his or her case and will have the right to be accompanied by a work colleague or union representative of his or her choice.

If the senior post-holder fails, without good reason, to attend a disciplinary hearing which he or she has been instructed to attend, or if the circumstances are such that it would be unreasonable to further delay the hearing, the hearing will take place, and a decision will be made, in his or her absence. If the senior post-holder's chosen companion is not able to attend the first date set for a disciplinary hearing, the senior post-holder shall be entitled to have the hearing rearranged for a date falling within 7 days of the first hearing date on which date the hearing will proceed whether or not the senior post-holder's chosen companion is available.

2.3 **Penalty/Dismissal**

In cases related to conduct or performance, no formal disciplinary penalty will be imposed without a disciplinary hearing and an appropriate investigation other than in exceptional circumstances. Other than in cases of serious or gross misconduct, gross negligence or gross incompetence, when the penalty may be dismissal without notice or payment in lieu of notice, no senior-post holder will be dismissed for a first offence. In cases not related to conduct or performance, dismissal will not take place without a meeting with the senior-post holder to discuss the circumstances.

2.4 **Stages of the Procedure**

In cases related to conduct or performance, normally the procedure will be followed in the order of the stages set out below in section 3. However, offences of a serious nature may be brought into the procedure at any stage if an earlier stage would not be severe enough or appropriate to deal with it. For example, there may be occasions when misconduct is considered not to be so serious as to justify dismissal, but serious enough to warrant only one written warning which will be both the first and final written warning. In cases where dismissal may be appropriate but the matter is not related to conduct or performance but for another reason such as redundancy, the procedure will normally commence at stage 3, or as otherwise amended as deemed appropriate by the Chair of the Special Committee under 5.2 below.

The Chair, Vice-Chair, Special Committee or Corporation as the case may be shall keep the senior-post holder informed of any delays, and the reasons for any delays, in taking any step required by this procedure. Any time limits set by this procedure may be varied by agreement between the senior post holder and (as appropriate) the Corporation, the Chair, the Vice-Chair or the Special Committee.

2.5 **Human Resources**

The Chair, Vice-Chair, Special Committee or Corporation as the case may be, shall be entitled at any stage of this procedure to seek advice from the College's Human Resources (HR) Team and accordingly shall also be entitled to invite any member of the HR Team to attend in an advisory capacity any meeting or hearing convened under this procedure.

3. **The Procedure**

3.1 Minor lapses from acceptable standards of conduct or work performance will usually be dealt with by the Chair of the Corporation or, in the absence of the Chair, the Vice-Chair, giving informal oral warnings or reprimands, which will not be recorded on the file relating to the senior-post holder.

3.2 If the matter is more serious, or minor lapses are repeated, the following formal procedure will be used.

3.3 **Stage 1 - Written Warning**

- i. A written warning will be given to the senior post-holder by the Chair, or in the absence of the Chair, the Vice-chair of the Corporation, if it is concluded after a hearing that the senior post-holder has committed an offence of misconduct or the standard of his or her work performance is inadequate.
- ii. The written warning will give details of the complaint against the senior post-holder, the improvement required and the time limit within which such improvement must be achieved. In the case of misconduct, the warning will state that, if the senior post-holder commits any further offence of misconduct during the period specified in the warning, action under Stage 2 will be considered. In the case of unsatisfactory work performance, the warning will advise the senior-post holder as to what steps he or she should take to improve and will state that, unless such improvement is achieved within the period specified in the warning, or should his or her work performance be unsatisfactory (whether or not in the same respect as gave rise to the warning) during that period, action under Stage 2 will be considered. The written warning will also advise the senior post holder of the right of appeal in accordance with section 6 below.
- iii. A copy of the written warning will be placed on the Corporation's personal file relating to the senior-post holder. The warning will be kept on the employee's file but will be spent and

disregarded for disciplinary purposes, after 12 months, subject to the senior post-holder's conduct and work performance having been satisfactory throughout that period.

3.4 **Stage 2 - Final Written Warning**

- i. A final written warning will normally be given to the senior post-holder by the Chair or, in the absence of the Chair, the Vice-chair, after a hearing if:
 - the senior post holder fails to comply with a first written warning given under stage 1; or
 - despite having been given, under stage 1, a first written warning as the result of either misconduct or unsatisfactory work performance, the senior post holder commits a further offence of misconduct of any description or his or her work performance continues to be unsatisfactory (whether or not in the same respect as gave rise to the warning); or
 - the senior post holder's misconduct or unsatisfactory work performance, although not considered to be serious enough to justify dismissal, is sufficiently serious to warrant only one written warning (in effect both the first and a final written warning) so that stage 1 is omitted.
- ii. The final written warning will give details of the complaint, the improvement required and the time limit within which such improvement must be achieved. In the case of misconduct, the warning will state that, if the senior post-holder commits any further offence of misconduct during the time limit specified in the warning, his or her employment will be terminated. In the case of unsatisfactory work performance, the warning will advise the senior post-holder as to what steps he or she should take to improve and state that, if such improvement is not achieved in the period specified in the warning, or should his or her work performance be unsatisfactory (whether or not in the same respect as gave rise to the warning) during that period, his or her employment will be terminated. The final written warning will also advise the senior post-holder of the right of appeal in accordance with section 6 below.
- iii. A copy of the final written warning will be placed on the Corporation's personal file relating to the senior post-holder. The warning will be kept on the employee's file but will be spent and disregarded for disciplinary purposes, after 2 years, subject to the senior post-holder's conduct and work performance having been satisfactory throughout that period.

3.5 **Stage 3 - Dismissal**

- i. Further misconduct by the senior post-holder or failure by him or her to reach the required standard of work performance within the time limit stipulated in the final written warning given under stage 2 will lead to dismissal, as may acts of gross misconduct or other acts capable of justifying summary dismissal under section 4 below. Dismissal may also be appropriate in other circumstances such as redundancy, and for the purposes of this procedure dismissal shall include the expiry and non-renewal of a fixed-term contract.
- ii. If it is considered by the Chair or, in the absence of the Chair, the Vice-chair, or by a majority of the members of the Corporation that it may be appropriate to dismiss the senior post-holder, the matter shall be referred to the Special Committee, in accordance with the procedure set out in section 5 below. Only the Chair, or in the Chair's absence, the Vice-chair, or the Corporation, may refer the matter to the Special Committee.

3.6 **Summary Dismissal**

- i. A senior post-holder who is accused of gross misconduct, gross negligence or gross incompetence may be suspended from work, in accordance with the provisions of section 7 below, whilst the alleged offence is investigated.
- ii. The Chair, or in the Chair's absence the Vice-chair, may dismiss the holder of a senior post-holder with immediate effect, after a disciplinary hearing, without any need for prior notice and without referral to a Special Committee, where the circumstances are such that the Chair, or in the Chair's absence the Vice-chair considers that he or she, is entitled to do so by reason of the serious or gross misconduct, (which shall include serious or gross incompetence or negligence) of the senior post-holder. Such dismissal will be without notice or payment in lieu of notice.

- iii. Where a senior post-holder has been dismissed pursuant to section 4.2, the Chair or Vice-chair, as appropriate, shall provide the senior post-holder with a written statement of the alleged misconduct which has led to the dismissal and the reasons why the Chair or Vice-chair, as appropriate, considers that the senior post-holder was guilty of such misconduct. In doing so, the Chair or Vice-chair shall notify the senior post-holder of the right to appeal to the Corporation against the dismissal, any appeal to be conducted in accordance with the procedure set out in section 6 below.
- iv. The following are examples of circumstances which are normally regarded as grounds for summary dismissal:
 - theft or unauthorised possession of any property or facilities belonging to the Corporation or to any employee or student;
 - serious damage deliberately sustained to Corporation property;
 - deliberate falsification of Corporation registers, reports, accounts, expense claims or self-certification forms;
 - bribery or corruption;
 - refusal to carry out duties or reasonable instructions or to comply with Corporation rules;
 - serious negligence/incompetence which causes or threatens to cause unacceptable loss, damage or injury;
 - serious incapability as a result of being intoxicated by reason of alcohol or illegal drugs;
 - violent, dangerous or intimidating conduct;
 - violation of the Corporation's rules and procedures concerning health and safety at work;
 - serious breach or violation of the College's Financial Regulations or other College policy;
 - sexual, racial or other harassment of another employee or a student;
 - accessing inappropriate websites using the College's internet facilities or downloading obscene or other offensive material;
 - any action that causes the College's reputation to be brought into disrepute;
 - a criminal offence, which may, (whether it is committed during or outside the employee's hours of work for the Corporation) adversely affect the Corporation's reputation, the senior post-holder's suitability for the type of work he or she is employed by the Corporation to perform or his or her acceptability to other employees or to students.

The above examples are not exhaustive or exclusive and offences of a similar nature will be dealt with under this procedure as grounds for summary dismissal.

4. Special Committee - Constitution

- 4.1 A meeting of the Special Committee shall be convened as soon as reasonably practicable after receipt of the referral under stage 3 of the formal procedure.
- 4.2 The Special Committee shall consist of not more than 5, but not less than 3, Members of the Corporation. The Chair, Vice-Chair, Principal, Staff and Student Members shall not be eligible for membership of the Special Committee, but subject to the provisions of the Instrument of Government relating to requirements for withdrawal from Corporation meetings, the Chair, Vice-Chair, Principal and any Staff Member shall be entitled to consider any appeal conducted in accordance with section 6 below and a student member shall be entitled to be present at any such appeal but shall not take part in the discussions concerning, nor vote upon, the appeal itself.
- 4.3 The Special Committee shall normally hold its first meeting within 7 days of being convened. The Special Committee shall appoint a Chair of the Committee and he or she shall thereafter be responsible for ensuring compliance with this procedure at the meetings of the Committee, or with any amendments to this procedure as the Chair deems may be appropriate in circumstances such as redundancy.
- 4.4 No disciplinary action shall be taken against a senior post-holder, nor shall he or she be dismissed, until the Special Committee has concluded its investigations and reached a decision. However, the senior post-holder may be suspended in accordance with section 7 below.

5. Purpose of and Procedure at Special Committee Meetings

- 5.1 The purpose of the first meeting of the Special Committee shall be to:
- i. conduct an initial examination of the facts;
 - ii. consider whether there appear to be grounds for dismissal;
 - iii. appoint an Investigating Officer if appropriate;
 - iv. determine the next steps in the procedure.
- 5.2 The senior post-holder, shall be entitled to receive from that Committee within 28 days of (or as soon as reasonably practicable following) its first meeting, (having regard to section 5.4 below) a written statement of the alleged conduct, characteristics or other circumstances which led to him or her being considered for dismissal. He/she shall be afforded a reasonable opportunity, and in any event a minimum of 10 days, to respond to the written statement in the form of written representations that he/she would wish the Committee to take into account in reaching its decision.
- 5.2 The Special Committee shall where appropriate require from the Investigating Officer a full written statement concerning the facts of the case, together with a copy of any witness evidence and relevant documents. The Investigating Officer may, if he or she deems it appropriate to do so, meet with and prepare witness evidence for, the senior post-holder. A meeting of the Investigating Officer and the senior post-holder shall not be a disciplinary hearing or a meeting to consider dismissal either for the purposes of this procedure or for any other purpose.
- 5.3 The Special Committee shall at the same time as sending the statement referred to in Section 5.2 above send to the senior post-holder the statement of, and any evidence or documents supplied by, the Investigating Officer and in doing so shall invite the senior post holder to attend a Stage 3 Meeting with the Committee at which the case for dismissal of the senior post-holder shall be considered.
- 5.4 The statement and evidence described in section 5.2 and 5.3 above shall be made available to the senior post-holder concerned, at least 10 days before the meeting. Any written statement or other documentation that the senior post-holder wishes the Committee to consider shall be supplied to the Committee at least 5 days before the meeting to which the senior post-holder has been invited.
- 5.5 The senior post-holder shall also be informed by the Special Committee of his or her right, prior to the meeting referred to at section 5.3 above, to:
- i. bring witnesses to that meeting;
 - ii. to make representations at the meeting including oral representations;
 - iii. be accompanied by a work colleague or union representative of his or her choice.

The senior post-holder shall also be informed, prior to the Special Committee meeting, of the membership of the Special Committee, the date, time and venue for the meeting, and as far as reasonably practicable the names of anyone who will be attending the meeting for the purpose of giving evidence.

- 5.6 The Special Committee shall ensure that the person presenting the case for dismissal (usually the Investigating Officer or otherwise the Principal or the Chair or the Vice-Chair) receives at the same time as the senior post-holder the materials referred to in section 5.5 above and is informed of his or her right to bring witnesses to the meeting of the Special Committee and to make representations at the meeting including oral representations.
- 5.7 Other than in exceptional circumstances at the Special Committee's discretion, no witness shall be entitled to address the meeting, nor shall witness evidence be taken into account, unless a statement for that witness has been provided beforehand in accordance with section 5.3 and 5.4 above.
- 5.8 At the meeting, the Special Committee shall first ensure that the nature of the meeting, the Committee's role and the procedure to be followed are understood by all persons attending the meeting. Both parties will have the opportunity to be heard, refer to the evidence in support of their cases and to question each other's statements and evidence, including any oral evidence given by witnesses called. The Special Committee shall govern the meeting and the process to be followed

as it sees fit. Annexe 1 sets out a suggested procedure for the conduct of a Special Committee meeting, though the Committee is not bound to follow it.

- 5.9 If at any time during the proceedings the members of the Special Committee are of the opinion that more evidence should be provided to it, the hearing may be adjourned for a period of up to 7 days, or to a date as soon as practicable thereafter, to enable further evidence to be submitted. When all the evidence has been heard, the parties shall have the opportunity to summarise their respective cases and must then withdraw from the meeting.
- 5.10 The Special Committee shall have full discretion to admit or exclude evidence as it thinks fit, without following the legal rules as to admissibility of evidence, and to vary, as may be necessary, the procedure to be followed at the meeting.
- 5.11 After taking any representations into account, the Special Committee shall take such action as it considers appropriate, which may include dismissal, and shall communicate its decision to the senior post-holder concerned, in writing and without unreasonable delay, normally within 14 days of the conclusion of the meeting with the senior post-holder. In notifying its decision to the senior post-holder, the Committee shall inform him or her of the right to appeal against it.
- 5.12 Except in the event of a dismissal under section 4 above, dismissal shall be with notice or payment in lieu of notice at the Special Committee's discretion, and in all cases the Special Committee shall make clear to the senior post-holder the date on which his or her employment shall terminate.
- 5.13 The senior post-holder shall have the right to appeal to the Corporation against the decision of the Special Committee and must do so in writing within 14 days of receipt of that decision, addressing the appeal to the Clerk to the Corporation.

6. Appeals

- 6.1 A senior post-holder who wishes to appeal against a written warning or a final written warning that has been issued by the Chair or Vice-Chair under Stages 1 or 2 of the procedure should submit written grounds of appeal to the Clerk to the Corporation within 7 days of the date of receiving the decision which forms the subject of the appeal. The appeal will be heard by a Committee of the Corporation consisting of no less than three Members, excluding any Member whose prior involvement in the matter could reasonably be said to affect their ability to hear an appeal.
- 6.2 When an appeal is made against a decision of the Special Committee, the senior post-holder must be invited to a meeting of an Appeals Committee of the Corporation consisting of no less than three Members, excluding any Member whose prior involvement in the matter could reasonably be said to affect their ability to hear an appeal, at which he or she may make representations, including oral representations.
- 6.3 The senior post-holder may be accompanied by a work colleague or union representative of his or her choice. The Appeals Committee meeting will be convened as soon as reasonably practicable following receipt of the notice of appeal. The Appeals Committee shall ensure that any documentation or evidence that had not been presented to the Special Committee shall be made available to the senior post-holder at least 7 days before the appeal hearing. The Appeals Committee shall decide in its discretion whether to admit any additional evidence as part of its deliberations.
- 6.4 No Member of the Special Committee shall attend the meeting under 6.3 above in a voting capacity, although the Corporation shall be entitled to request and receive from the Special Committee written responses to the grounds of appeal and to request any Member of the Special Committee to attend the meeting under 6.3 above for the purpose of answering questions and commenting upon the appeal.
- 6.5 The Appeals Committee shall govern the appeal meeting and the process to be followed as it sees fit. Annexe 3 sets out a suggested format for appeal hearings, though the Appeals Committee shall not be bound to follow it. The Appeals Committee shall consider the decision of, and any representations from, the Special Committee and any representations of the senior post-holder and take such action as it considers appropriate and communicate its decision in writing to the senior post-holder and to the Special Committee.

- 6.6 Where a senior post-holder has been summarily dismissed, he or she shall have the right to appeal in writing to the Corporation within 14 days of receiving a written statement under section 6.5 above. Letters of appeal must be submitted to the Clerk to the Corporation.
- 6.7 The Corporation shall, as soon as reasonably practicable after receipt of notification of such an appeal, invite the senior post-holder to attend a meeting of the Appeals Committee, at which he or she may make representations, including oral representations and may be accompanied by a work colleague or union representative of his or her choice. The Appeals Committee shall ensure that any documentation or evidence not previously made available to the senior post-holder shall be sent to him or her at least 5 days before the appeal hearing.
- 6.8 The Chair or Vice-chair, as appropriate, shall not attend the meeting of the Appeals Committee under section 6.7 in a voting capacity, although the appeals committee shall be entitled to request and receive from the Chair or Vice-chair, as appropriate, written responses to the grounds of appeal and to request the Chair or Vice-chair to attend the meeting under section 6.7 for the purposes of answering questions and commenting upon the appeal.
- 6.9 The Appeals Committee shall govern the appeal meeting and the process to be followed as it sees fit. Annexe 3 sets out a suggested format for appeal hearings, though the Appeals Committee shall not be bound to follow it. The Appeals Committee shall determine the appeal against summary dismissal, having taken representations into account and shall notify the senior post holder and the Chair or Vice-chair, as appropriate, of its decision in writing without unreasonable delay.
- 6.10 Appeals by senior post-holders employed under fixed term contracts which, upon expiry, have not been renewed will be heard in accordance with the procedure as in paragraph 6.2 above.
- 6.11 All appeals will take place as soon as reasonably practicable after the notice to appeal has been received by the Clerk to the Corporation, but subject to no less than 7 days notice being given to the senior post holder concerned.
- 6.12 At any appeal, the disciplinary penalty imposed will be reviewed, but it cannot be increased. The decision of the Appeals Committee of the Corporation will be final.

7. Suspension Pending Disciplinary Hearing

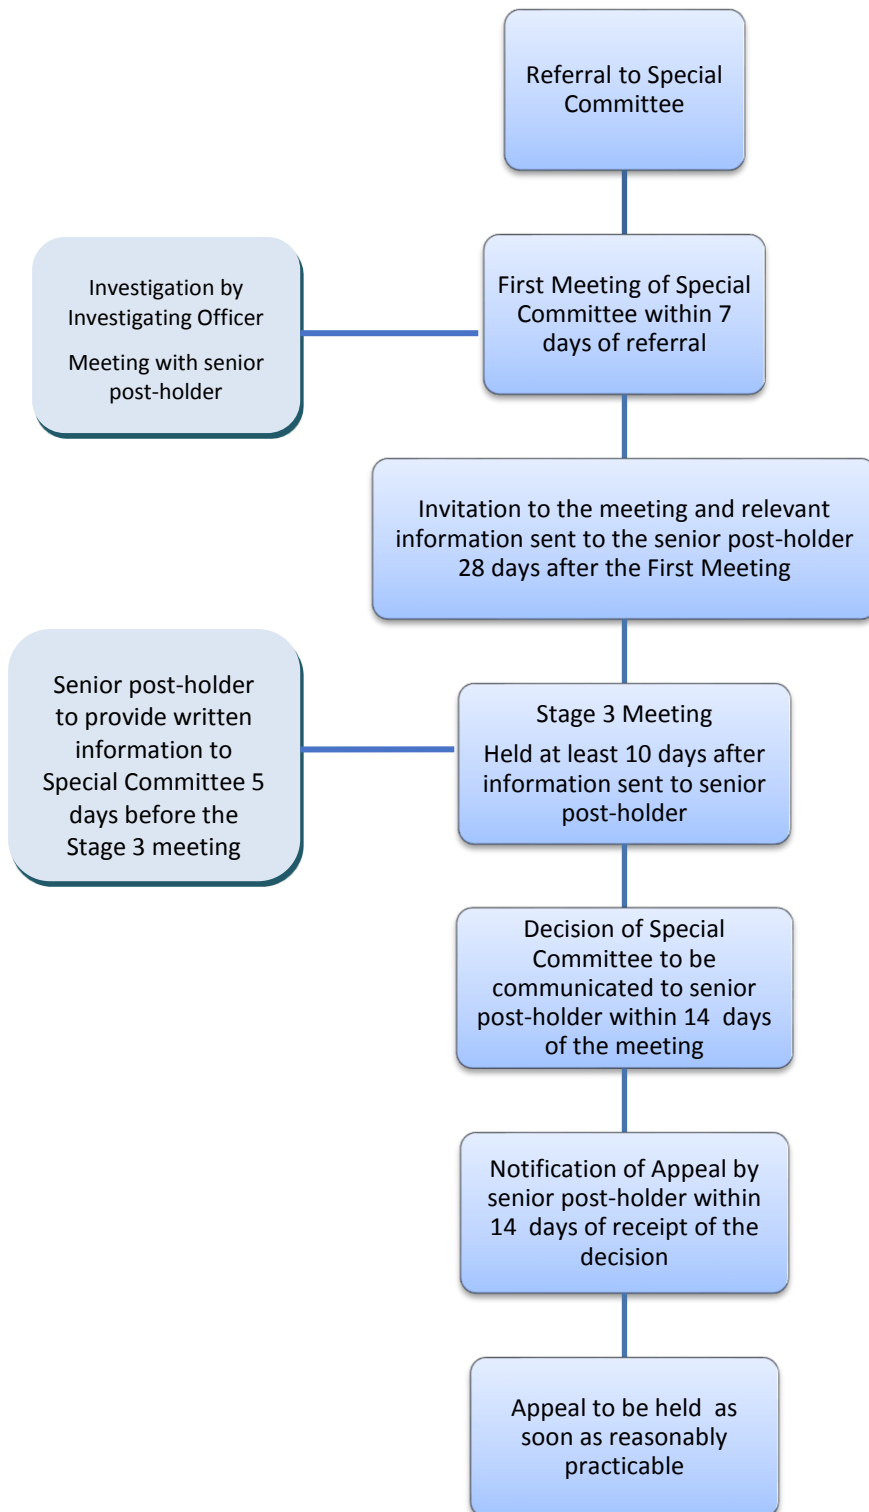

- 7.1 The Chair, or in the Chair's absence, the Vice-chair may suspend a senior post-holder from duty, with pay, where there is an allegation of serious or gross misconduct and shall report such suspension in writing to the Corporation and the SFA within 2 working days or as soon after this as is practicable.
- 7.2 The Chair or Vice-chair must provide the senior post-holder with written notification of the suspension, setting out the grounds on which the decision to suspend has been taken and inviting the senior post-holder to a meeting with the Chair or Vice-chair to discuss the issues.
- 7.3 During the period of suspension, the senior post-holder must not enter any of the College premises nor contact College staff or students without the express prior permission of the Chair or Vice-chair.
- 7.4 The meeting of the senior post-holder and the Chair or Vice-chair shall be confined to a discussion of the circumstances leading to, and the grounds for, suspension and as far as reasonably practicable shall not include discussion of those matters which would fall to be considered at a meeting under sections 3 or 5 above. The senior post-holder shall be entitled to be accompanied to the meeting with the Chair or Vice-chair by a colleague or union representative.
- 7.5 A senior post-holder who is suspended may appeal in writing to the Corporation against the suspension. Notice of such appeal shall be given in writing by the senior post-holder to the Clerk to the Corporation and the appeal shall be heard as soon as reasonably practicable by the a committee of the Corporation consisting of no less than three Members, excluding any Member whose prior involvement in the matter could reasonably be said to affect their ability to hear an appeal.
- 7.6 A suspension against which an appeal by a senior post-holder is made shall continue to operate pending the determination of the appeal.
- 7.7 At the hearing of an appeal against suspension, the senior post-holder may be accompanied by a work colleague or union representative of his or her choice. The Appeals Committee shall govern

the meeting and the process to be followed as it sees fit, ensuring that the senior post holder is given the opportunity to make oral representations. Annex 4 sets out a suggested framework for the appeal, though the Corporation shall not be bound to follow it.

- 7.8 The appeal shall as far as reasonably practicable be confined to consideration of the circumstances leading to, and the grounds for, suspension and shall not include discussion of those matters which would fall to be considered at a meeting under sections 3 or 5 above. The Appeals Committee shall ensure that any evidence or documentation to be considered at the appeal hearing is made available to the senior post-holder at least 5 days before the hearing takes place. The senior post-holder shall submit to the Appeals Committee within the same timescale any evidence or documentation that he or she wishes the Appeals Committee to take into account in reaching its decision.
- 7.9 Following the hearing of an appeal against suspension, the Appeals Committee may either confirm the suspension or lift the suspension. The decision of the Appeals Committee, and the reasons for the same, shall be confirmed by the Clerk to the Corporation in writing to the senior post-holder and to the Chair or Vice-chair, as appropriate within 5 days of the hearing of the appeal. The Appeals Committee's decision shall be final and there shall be no further right of appeal against suspension.
- 7.10 Suspension shall at all times be regarded as a neutral measure and in no way determinative of the outcome of any disciplinary or Special Committee hearing, regardless of whether the senior post-holder appeals against suspension and regardless of the outcome of any appeal.

Performance and Capability Procedure for Senior Post-holders

1. Introduction

- 1.1 For the purposes of this procedure, 'senior post-holder performance and capability' is a term used to compare an individual's contribution to the work of the College's with the Corporation's reasonable expectation of that individual.
- 1.2 This procedure is separate from, and is not to be confused with the procedures relating to senior post-holder discipline. If however a senior post-holder's poor performance reflects a deliberate or wilful decision not to work in a reasonable manner then the disciplinary including misconduct procedure, would alternatively be initiated.
- 1.3 The College is reliant on the collective and individual contributions of its workforce in order to meet the needs of its learners and its various business objectives. All senior post-holders should be able to make a positive contribution, but where there is a gap between an individual's performance and the Corporation's reasonable expectation the Corporation shall put in place measures, the purpose of which will be to support the senior post-holder in attaining the requisite level of performance.
- 1.4 The Corporation expects all senior post-holders employees to conduct themselves professionally at all times and assumes that they wish to make a positive and effective contribution to meeting the College objectives. The procedure is designed to be supportive, in assisting a senior post-holder to reach their full potential and operating to the standard expected.
- 1.5 The Corporation acknowledges its duty to ensure that all senior post-holders are afforded appropriate and timely support in coming to terms with their roles and responsibilities.

2. Informal Procedure

- 2.1 If the Principal has concerns regarding a senior post-holder's performance and / or capability they should deal with this concern in an informal supportive manner, aiming to encourage improvement by informal discussions with the senior post-holder to address and resolve any issues.
- 2.2 A note of the conversation should be taken to record the main points of the discussion and the actions agreed. During the discussion the Principal shall inform the senior post-holder that formal procedures may be convened if performance and / or capability does not improve.

3. Formal Procedure

- 3.1 Where the concerns initially expressed are not resolved under the informal procedure described in section 2 or where it is inappropriate to use this mechanism, the matter will be dealt with under the formal procedure outlined in Sections 3-5 of the Senior Post-holder Disciplinary Procedure.

4. Appeal

- 4.1 The procedure relating to appealing against any decision taken is outlined in Section 6 of the Senior Post-holder Disciplinary Procedure.
